

Personal Retirement Plan

COVERING POSSIBILITIES

The Freisenbruch-Meyer Personal Retirement Plan (PRP) conveniently allows you to manage and transfer all of your accumulated retirement savings into one place. With daily valued investments, we give you the freedom to buy, sell or trade your retirement savings any day the market is open. Whether or not your money is locked-in, the PRP allows you to take control of your savings and monitor performance at any time with Statements on Demand.

Key Benefits:

- Daily Valued Funds
- Investment Flexibility
- Statements on Demand
- Transparent Fees
- Interactive Website with helpful tools
- Make voluntary contributions at your leisure
